

Freelance Digital Producer/ Editor Contract

2-3x days per week 3-6 month contract

LEADERS, a subsidiary of Leaders Group LLC, is the premium event and content platform for leaders in world sport. Our purpose is to catalyse conversations which drive the industry forward by connecting the best people, sharing the best ideas and championing excellence all over the world. With physical and digital events taking place across 3 continents, as well as a series of workshops and networking opportunities, Leaders are the trusted source of insight, learning and inspiration for decision makers, on and off the field, in sport.

We're looking for a pro-active collaborator who can help realise the full potential of our newly built in house studio, as well as tell the stories of our network & partners by creating compelling video and audio content. Ideally this person would work primarily with the in house content and marketing teams to bring to life creative ideas.

Areas of Responsibility

- ✦ Experienced at filming and editing highly engaging video and audio content
- ✦ End to end production management
- ✦ Must have a strong knowledge of video, audio, graphic & post-production process
- ✦ Work collaboratively with internal teams to create innovative, compelling audio and visual content
- ✦ Produce high-quality output whilst managing simultaneous work streams and projects
- ✦ Realise the capability of the in house studio, becoming well equipped with equipment and other key suppliers in order to execute high quality output – both live and recorded
- ✦ Produce short and long format video assets for marketing, content and sales teams
- ✦ Organize and media manage video assets
- ✦ Interact regularly with internal stakeholders and external clients
- ✦ Responsible for ensuring all set up and testing is done in a timely manner working closely with the project managers
- ✦ Ability to execute on a creative vision for visual and audio storytelling and bring that narrative to life
- ✦ Have some sound and lighting knowledge and experience
- ✦ Offer ways to improve asset management, workflow and inter-team processes

The Details

- ✦ 2-3x days per week for three months initially, with an intention to extend for another three
- ✦ Days of the week flexible but ideally 1x day per week in the office in Wimbledon
- ✦ Start date as soon as possible in August
- ✦ An excellent collaborator who likes to work within a team in a fast paced environment
- ✦ Pro-active in nature with an ability to see projects through to completion
- ✦ Strong level of technical knowledge
- ✦ Experience in video, audio filming and editing
- ✦ Experience in producing live content / vmix operation

To express your interest in the contract, please submit your CV, portfolio and covering note on leadersinsport.com/careers
